

Arriving by Plane or Train or Bus

You may choose to come to Royal 2010 Royale by air, rail or bus. Windsor is served by all these services. If coming into Windsor by any of these methods, this may offer some helpful information.

Bus

The Windsor bus terminal is across the street from the back of the St Clair Centre for the Arts and the Hilton Hotel.

Train

Windsor has a VIA train station which is located about 4km from the show. Taxi cabs usually meet all trains.

Windsor Airport

Windsor has an airport with connecting flights to Toronto. The airport is about 10km from the show. Taxi cabs are available outside the terminal.

Detroit Airport

Windsor is less than a 30 minute drive from the Detroit airport. For people flying from American cities it may be easier to fly into the Detroit airport. The airport is served by a regular shuttle service from Robert Q travel (www.robertq.com); check the website for schedule times and reservations. The shuttle drop off spot in Windsor is about 5 km from the show (the cost is \$42 Cdn per person each way). You may also book a car to pick you up at the airport from VIP Windsor Shuttle; they will meet your flight and bring you door to door. For reservations call 519-974-5466; the fare is \$99 each way for a car or mini van (ask for the Corporate Rate for the stamp show). If you are coming as a group, VIP is the better deal.
